

## I Look To Jesus

Jordan St. Cyr

All my earthly thrones came tumbling down  
Piece by broken piece upon the ground  
With nothing left to lose  
That's when what I needed could be found

I look to Jesus  
He's everything to me  
I look to Jesus  
My Saviour and my King  
Redeemer, Rescue  
My Glory and my Grace  
I look to Jesus

Can't undo the damage that I've done  
And of the lies I told to everyone  
The worst was to myself  
That I was lost with nowhere else to run

I look to Jesus  
He's everything to me  
I look to Jesus  
My Saviour and my King  
Redeemer, Rescue  
My Glory and my Grace  
I look to Jesus  
I look to Jesus

At the cross His blood poured out for me  
The work of love at Calvary  
Is finished, finished...  
All because of, all because of...

Jesus  
He's everything to me  
I look to Jesus  
My Saviour and my King  
Redeemer, Rescue  
My Glory and my Grace  
I look to Jesus  
I look to Jesus  
I look to Jesus
