

# Rejoice

Jordan St. Cyr

We've been waiting  
For this night to come  
Watching, praying  
For the promised one  
Now angels fill the sky  
Good news from on high  
We've been waiting  
For this night to come

Oh, the wonder of this birth  
Let it echo through the earth

Rejoice, Rejoice  
Come behold the glorious  
Rejoice, Rejoice  
Heaven's king has come to us  
Rejoice

He is Saviour  
He is God with us  
The evidence  
Of the Father's love  
Here in Bethlehem  
Let us bow to Him  
He is Saviour  
He is God with us

Rejoice, Rejoice  
Come behold the glorious  
Rejoice, Rejoice  
Heaven's king has come to us  
Rejoice

Oh, the wonder of this birth  
Let it echo through the earth

Rejoice, Rejoice  
Come behold the glorious  
Rejoice, Rejoice  
Heaven's king has come to us  
Rejoice  
Oh... Rejoice  
Oh... Rejoice
