

## BRIA'S INTERLUDE

Jordan Ward

Even though you're all alone  
All alone when I am gone  
I just wanna keep you warm  
I'm coming back, I'm coming back  
Yes, I'll be there, yes, I'll be there  
'Cause when I'm all alone, I think about your face  
And how I wanna touch you, but I'm so far away (I'm so)  
All I wanna do is give you all of me now  
Are you ready? Are you ready? Yeah

Don't go missing, fly with me  
Don't go missing, fly with me, with me  
Don't go missing, fly with me  
Don't go missing, fly with me, with me (Ooh)

I'm aware that we just met  
I don't wanna leave you yet  
Promise that I won't forget  
I'm coming back, I'm coming back  
Yes, I'll be there, yes, I'll be there  
About to board my flight, sitting at this gate  
I just wanna touch you, but I'm so far away (I'm so)  
All I wanna do is give you all of me now  
Are you ready? Are you ready? Oh

Don't go missing, fly with me  
Don't go missing, fly with me, with me  
Don't go missing, fly with me  
(Check it out, check it out)  
Don't go missing, fly with me, with me
