FORFOURFORE

Jordan Ward

You found me? (Four four four)
You know me nigga?
You found me?
It's spelled F-O-R F-O-U-R F-O-R-E
Like I'm forwarding in the story cause it's my debut album
You know what I'm saying it's my 4th project
You know what I'm saying?
We all tryna build something for our family
It's for my family, it's for myself
Cause I'm the only child, like I'm the last Ward
You know what I mean? (That's deep!)
Every- everything I'm doing is Forward
I'm bout to go over to Lido house tomorrow
F-O-U-R, and it's track 4
Hello? Hey!
Who is this? Ok, bye
Who is this? hol on wait
What the fuck?
