

HIGH FUNCTIONING

Jordan Ward

My girl only hit the J sometimes
'Specially not in sunshine
She can't get nothin' done
Just know yourself before the come down
They wanna know why I still can function high?

I'm high functioning, I
It's robust how I'm high at the function high
I'm high functioning
I'm at the function high
And so clutch
Yeah, I'm high, but the function high

Are you a doobie man?
Are you a man of tradition?
I bless the herb but all my friends still smoke cigs, man
And ain't no lazy boys
But it don't sit right with them
How niggas fried as a fuck, but I still ran up a M

My girl only hit the J sometimes
'Specially not in sunshine
She can't get nothin' done
Just know yourself before the come down
They know why I still can function high

I'm high functioning, I
It's robust how I'm high at the function high
I'm high functioning
I'm at the function high
And so clutch
Yeah, I'm high, but the function high

Ooh
Ooh, no, can't do it like me
Ooh, no, can't do it like me
Ooh, no, can't do it like me, oh
Ooh, no, can't do it like me
Ooh, no, can't do it like me
Ooh, no, can't do it like me, oh

Hol' up 2 hunnid for a lil' Z
I blow that in 'bout a week
Talkin 'bout hatin' niggas, D4L, still tryna do it like me
Don't worry about my grass and if it's green

My girl only hit the J sometimes
'Specially not in sunshine
She can't get nothin' done
Just know yourself before the come down
They know why I still can function high

I'm high functioning, I
It's robust how I'm high at the function high
I'm high functioning
I'm at the function high
And so clutch

Yeah, I'm high, but the function high

Ooh

Ooh, no, can't do it like me

Ooh, no, can't do it like me

Ooh, no, can't do it like me, oh

Ooh, no, can't do it like me

Ooh, no, can't do it like me

Ooh, no, can't do it like me, oh

I'm still high
