

Big

Jordana

Spill my fears onto the floor
What do I feel so damn big for?
I'm self assured down to my core
What do I feel so damn big for?

Hear that sound
No cooling down for me
So profound
It can't be found for free

Powerful, oh, oh, oh, oh
Full control, oh, oh, oh, oh
Powerful, oh, oh, oh, oh
Full control, oh, oh

Spill my fears onto the floor
What do I feel so damn big for?
I'm self assured down to my core
What do I feel so damn big for?

Keep it in
Might not happen again
I don't care
If it's not real, pretend

Live it full, oh, oh, oh, oh
Be careful, oh, oh, oh, oh
Live it full, oh, oh, oh, oh
Be careful, oh, oh

Spill my fears onto the floor
What do I feel so damn big for?
I'm self assured down to my core
What do I feel so damn big for?
