Potential happiness is all I need
Guaranteed endless recess of the mind
You mind if I follow right behind you?

Act all sharp is what I'll do when I get into the groove
Of always running by your side
You think I could do the things that you do?

Potential happiness is all I need
Guaranteed endless recess of the mind
You mind if I follow right behind you?

There are few who cue your point of view
Suggest you keep on it
Keep on it
Keep on it
Keep on it

By the way I've got something to say
I think they sleep on you
Sleep on you
Sleep on you
Sleep on you

And if I die before I even get to see your time
Then I'll be on the other side
Feeling the biggest sense of pride for you

I wanna be like you
I wanna, I wanna be like you
I wanna be like you
I wanna, I wanna be like you
I wanna be like you
I wanna, I wanna be like you
I wanna be like you
I wanna, I wanna be like
