

Forever

Jordin Sparks

Uh uh
Ain't no other way to live
And I gotta live right now
The party I'll slide in it
Pool of liquor, I'll dive in it

Spend my paycheck pour it up until its done
I'm far too faded but having fun is too fun

It ain't a time to put my life on hold
I've done that before and I won't do that no more
No, no, no
Life's too fast to take it slow
So don't care, don't wanna know
The night goes where it goes

I'm on anything you're on right now
Bottle by the bottle to the roof
Nothing last forever
Oh yeah
Shots on me I want another round
I wanna wake up on the moon
Nothing last forever
Nothing last forever

Yuh, dont be checking on me
The pot too hot, don't be checking on T
I got the rocks and watch
I'm diss-re-specking these streets
And I'm not gon' stop everything is on green
Strong man and I Louis-Vuitton glove it
I just can't do it if I don't love it
Fun too fun I'm not having enough it
Let it go like Geronimo, fuck it

It ain't a time to put my life on hold
I've done that before and I won't do that no more
No, no, no
Life's too fast to take it slow
So don't care, don't wanna know
The night goes where it goes

I'm on anything you're on right now
Bottle by the bottle to the roof
Nothing last forever
Oh yeah
Shots on me I want another round
I wanna wake up on the moon
Nothing last forever
Nothing last forever

Forever no
Forever no
Nothing last forever
Mmm no
Nothing last forever
Nothing last for
