

I Wish We'd All Been Ready

Jordin Sparks

Life was filled with guns and war
And all of us got trembled on the floor
I wish we'd all been ready
Children die, the days grow cold
A piece of bread could buy a bag of gold
I wish we'd all been ready

There's no time to change your mind
The sun has come and you've been left behind

A man and wife asleep in bed
She hears a noise and turns her head, he's gone
I wish we'd all been ready
Two men walking up a hill
One disappears and one's left standing still
I wish we'd all been ready

There's no time to change your mind
The sun has come and you've been left behind

Father spoke, the demons die
How could have been so blind?
Oh, there's no time to change your mind
The sun has come and you've been left behind
There's no time to change your mind
The sun has come and you've been left behind
I wish we'd all been ready
I wish we'd all been ready
I wish we'd all been ready
