Jordin Sparks

(Snow, snow, snow  
S-N-O-W)

I got a carrot and some buttons  
A scarf and a hat  
Mr. Snowman  
When you gonna be comin' back?  
Got some skates and a sled  
That don't work in the rain  
Come on Mr. Weatherman  
It's getting harder to wait

I really don't have a lot on my list  
I just have one wish

I want it to snow  
Everywhere that I go  
I want it to snow  
On the tip of my nose  
I want it to snow, snow, snow  
S-N-O-W

I wanna make angel wings  
While it falls from the sky  
Wanna turn snowflakes  
Into snowball fights  
Santa hurry can you make it flurry fast  
Is it too much to ask?

I want it to snow  
Everywhere that I go  
I want it to snow  
On the tip of my nose  
I want it to snow, snow, snow  
S-N-O-W

I really don't have a lot on my list  
I just have one wish  
I want it to snow snow ooh  
I want it snow

I want it to snow  
Everywhere that I go  
I want it to snow  
On the tip of my nose  
I want it to snow, snow, snow  
S-N-O-W

Snow, snow, snow  
S-N-O-W
