

# To Love Somebody

Jordin Sparks

There's a light  
A certain kind of light  
That never shown on me  
I want my life to be lived with you  
Oh lived with you  
There's a way everybody say  
To do each and every little thing  
But what does it bring  
If I anger you, if I anger you baby?

You don't know what its like, baby  
You don't know what its like  
To love somebody  
To love somebody  
The way I love you

In my brain  
I see your face again  
I know my frame of mind  
You ain't got to be so blind  
I'm so blind, so so blind  
I'm a girl, can't you see what I am  
I live and I breathe for you  
But what good does it do  
If I ain't got you, if I ain't got you? No no...

You don't know what its like  
You really don't know what its like  
To love somebody  
To love somebody  
The way I love you

You don't know what its like, baby  
You don't know what its like  
To love somebody  
To love somebody  
The way I love you

I live and breathe for you, baby  
Tell me what to do

You don't know what its like, baby  
You really don't know what its like  
To love somebody  
To love somebody  
The way I love you
