

## Could It Be 2

Jordyn Taylor

It's taking over think I'm losing my mind  
I'm with you then he comes back in my life  
It's like he's poison he's my Kryptonite  
And I can't help if it's wrong or it's right

I'm feeling you so what is so confusing  
Run over with him, I don't know what I'm doing, (ah)  
And now I'm holding out 'til I make move  
Cause this dilemma got me breaking in two

Don't make me have to change my life tonight  
No I don't wanna have to take one side  
My heart its standing out for warning signs  
It's saying I just can't win this fight  
Cause no matter the choice I make, I lose  
I need him I can't live without you  
Im so torn up can't hide the truth

(So could it be two)  
I'm into you, and you  
(I'm screwed)  
Cause I don't know how to choose  
(Not cool)  
I know it ain't fair to you  
(And you)  
So could it really be true

(So could be two)  
I'm into you, and you  
(I'm screwed)  
Cause I don't know how to choose  
(Not cool)  
I know it ain't fair to you  
(And you)  
So could it really be true  
Cause it's truther, that I got it for two

I never wanted to be caught in this far  
I'm acting like somebody you're not  
So I choose logic to be I follow my heart  
Too many questions I don't know where to start  
I'm safe with you, so why is he addicted  
He's like the flu, I'm think I'm getting sick and  
Whats my solution wish that I understood  
I just can't share my heart all I want

Don't make me have to change my life tonight  
No I don't wanna have to take one side  
My heart its standing out for warning signs  
It's saying I just can't win this fight  
Cause no matter the choice I make, I lose  
I need him I can't live without you  
Im so torn up can't hide the truth

(So could it be two)  
I'm into you, and you  
(I'm screwed)

Cause I don't know how to choose  
(Not cool)  
I know it ain't fair to you  
(And you)  
So could it really be true  
Cause it's truther, that I got it for two

Could it be, could it be two (two, two, two)  
Could it be, could it be two (Oh)  
Could it be, could it be two (Oh, Oh, Oh)  
Could it be (Oh) (Yeah, Yeah)  
Could it be, could it be two  
Could it be, could it be two  
Could it be, could it be two  
Could it be, could it be two

Cause no matter the choice I make, I lose  
I need him I can't live without you  
Im so torn up can't hide the truth

(So could it be two)  
I'm into you, and you  
(I'm screwed)  
Cause I don't know how to choose  
(Not cool)  
I know it ain't fair to you  
(And you)  
So could it really be true

(So could it be two)  
I'm into you, and you  
(I'm screwed)  
Cause I don't know how to choose  
(Not cool)  
I know it ain't fair to you  
Cause it's truther, that I got it for two
