

# Forever

Jordyn Taylor

Remember when I called you up  
and couldn't explain a thing  
I told you that I felt just like a fool  
'Coz he went and did me wrong again  
you gave me all the strength and supported me  
when I was in need of a helping hand  
You made me realize I just need a little time  
to get over it  
(oh yeah)

True friendship  
like what we got  
that's what it's all about  
True friendship  
like this  
tell me who can live without

Someone who's there for you  
always there, care for you  
Put you, when you couldn't move  
(ahhh yeaah)

I'm never gonna let it go (nooo..)  
I'm gonna be here.

[Chorus]  
I will always be around  
Everything will be ok  
We'll be on a solid ground  
Best Friends 'till the end  
I know we'll stay  
I'm there for you  
you're there for me  
When you need it the most  
'Coz it's unconditional  
Just stay friends forever, ever, ever.  
Forever, ever, ever...  
Forever, ever, ever...  
Eveeerrr...

Remember when you came to see me  
You we're acting so confused  
Then you told me you felt so sad and  
You didn't know what to do  
I gave you all the strength and supported you
