

Come Over

Jorja Smith

Tell me what I did this time
Why is it I work so hard for you
I wish I could read your mind
I don't know if you want me to come over

I don't know if you want me to come over
I don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)

This is something that I'm used to
I give too much but I choose to
And you love that, you love that
I don't know what you have been through
But I've worked too hard not to lose you
And you know that, yeah you know that

(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)
(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)

Wish I knew what's on your mind
Then I wouldn't think it's something I've done
If you gave more of your time
Then we both might just get what we want
Are you too scared to love me?

Tell me what I did this time
Why is it I work so hard for you
I wish I could read your mind
I don't know if you want me to come over

I don't know if you want me to come over
I don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)

You should, you would know
Marry you like Bruno Mars
Late night FaceTime call
Can't work at the studio
It's been a while mi see you whine
It's been a while you smile
You getting pretty
Ah you pretty from you juvenile
Whine up your body gyal
You fit you can go a couple mile
You have a bad attitude

Sometime you act recoil

This is something that I'm used to
I give too much but I choose to
And you love that, you love that
I don't know what you have been through
But I've worked too hard not to lose you
And you know that, yeah you know that

I don't know if you want me to come over
I don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)

(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)
(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)
