# Lost & Found

**Jorja Smith**

Why do we all fall down with innocence
Still on the ground
Why do we all fall down with innocence
On the lost and found

I never thought I would ever find
Something so assured but so fine
I fantasized that you come around
So could your dreams turn to reality
So tell me how am I ever gonna find love in you
If I do not even know what I want from you
'Cause we both want different things
Why can't this be one common thing
I never thought I would ever find
Something so assured but so fine

Why do we all fall down with innocence
Still on the ground
Why do we all fall down with innocence
On the lost and found

I never thought you would stay around
It felt way too good to be real
I heard that good things don't last a while
Please don't be the one to leave first
They say we're way too young to get the job done
Are we really too young to be having so much fun?
'Cause I'm not quite sure right now
I don't really understand how
I am ever really gonna be in love with you
'Cause I never even thought you would want me too
I am gone now

Why do we all fall down with innocence
Still on the ground
Why do we all fall down all apart
On the lost and found

I'm in love with the thought of you
I'm in love with the thought of you
