

# The One

Jorja Smith

Never had to walk for love  
Don't need you to show me how  
Don't want to be falling in  
When I'm falling out  
Didn't think I'd give for love  
Every time I hold back  
Now there's lust in my head  
I'm tryna find the [?] I am

This chooses, this takes  
This begins, heartbreakers  
I don't wanna be that way  
You will never hear me say  
Come hold me, console me  
When really I'm lonely  
Even if I feel this way  
I don't wanna feel this way  
When I...

Need someone  
I don't wanna need no one  
I'm not tryna let you in  
Even if I fall, don't worry

Never had to wait for love  
Always thought it'd come around  
You come for me  
But I'm nowhere to be found  
Consolations with conversations  
I don't need right now  
I'm afraid that these relations  
Are goin' to be tied out

This chooses, this takes  
This begins, heartbreakers  
I don't wanna be that way  
I don't wanna feel this way  
When I...

Need someone  
I don't wanna need no one  
I'm not tryina let you in  
Even if I fall, don't worry

I don't wanna feel this way  
When I...

Need someone  
I don't wanna need no one  
I'm not tryna let you in  
Even if I fall, don't worry
