

Night Life

Jorn

Wake up in time to see the sun going down
Turn on the six o'clock news, see what's happening in this town
I take a walk down to the corner
I meet those bad girls hanging around never doing what they oughta

Oh yeah, I get caught up in the action
Gotta find the main attraction now
Gotta get some satisfaction
You better take me to the heart of that

Night life, looking for some
Night life, need a little
Night life, living in the daylight
Just don't agree with me

Night life

Stealing through the night like a wolf on the prowl
Not a bird, not a plane, I'm just a mean old night owl
Watch me, hit, run, gotta move on
Going wild in the night 'cause I'm hooked on the neon

Oh yeah, I'm looking for some action
I gotta find my main attraction now
'Cause I need some satisfaction
Won't you take me to the heart of that

Night life, a little bit of
Night life, I need some
Night life, full of bright lights and noise
It's time to separate the men from the boys

(Night life) I ain't talking about no high-life cabaret
(Night life) I need something, just something to put me away
(Night life) Yeah, holding me and the noise
Time to separate the men from the boys

(Night life) It can get kinda rough
(Night life) We'll see who's standing when the sun comes up
(Night life) Yeah, the skyscrapers
But the night life is a formal attraction
(Night life) Yeah, c'mon, c'mon
(Night life) Whoo oooh
(Night life) Anything goes
(Night life) Having the time of my night life
