

The Final Frontier

Jorn

[Verse 1]

I'm stranded in space, I'm lost without trace
I haven't a chance of getting away
Too close to the sun, I surely will burn
Like Icarus before me or so legend goes
I think of my life, reliving the past
There's nothing but wait 'til my time comes
I've had a good life, I'd do it again
Maybe I'll come back some time, my friends

[Pre-Chorus]

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them one last goodbye

[Chorus]

The final frontier
The final frontier
The final frontier
The final frontier

[Verse 2]

If I could survive to live one more time
I wouldn't be changing a thing at all
Done more in my life than some do in ten
I'd go back and do it all over again

[Pre-Chorus]

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
And tell them that one last goodbye

[Chorus]

The final frontier
The final frontier
The final frontier
The final frontier

[Verse 3]

There isn't much time, must say my last rites
Nobody is here to read them to me
Must say my goodbyes, if only a line
A message to tell them in case they might find

[Pre-Chorus]

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye

[Chorus]

The final frontier
The final frontier
The final frontier
The final frontier...
