

## #9 Dream

José González

So long ago  
Wasn't a dream  
Wasn't just a dream  
I know, yes, I know  
It seems so very real  
It seems so real to me

To walk down the street  
Through the acres of dreams  
I thought I could hear  
Hear, hear, hear  
Someone call out my name  
As it started to rain  
To stand still seemed to strange

Out of a goggle you stand still  
Out of a goggle you stand still  
Out of a goggle you stand still  
Out of a goggle you stand still

Dream, dream away  
Magic in the air  
It's magic in the air now  
I believe, yes, I believe  
All I cannot say  
What more can I say

On the river of sound  
Through we go round and round  
I thought if you  
Feel, feel, feel  
Music touching my soul  
Something wants, I call  
Spent time once I fall

Out of a goggle you stand still  
Out of a goggle you stand still  
Out of a goggle you stand still  
Out of a goggle you stand still

You sing out to me in sorrow  
Something on the side  
Screaming was the calling

Someone call out my name  
As it started to rain  
To stand still seemed to strange
