

Ape Shxt

Jose Guapo

I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera
56 nights, I go beast mode, a monster
50 on the back end, nigga that's a hunnid
I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera
56 nights, I go beast mode, a monster
50k on the back end, nigga that's a hunnid
Bout to go ape shit
I'm 'bout to go ape shit
I'm 'bout to go ape shit
They gon' make me go ape shit
I'm 'bout to go ape shit
I'm 'bout to go ape shit
I'm 'bout to go ape shit
I'm 'bout to go ape shit

Look at my bracelet

I'm dressed in that Bape shit
Yo bitch need a face lift
I cannot do no favors
I get my Balmain's tailored
I used to be fuckin' on Taylor
Now I be fuckin' her neighbor
We put the grits on the table
We put the 3 in the map
Ever since Plies got slammed, I gotta perform with the strap
I got some bitches in Dallas, I got some bitches in Houston
We gone fuck up a check when we go eat at Houston
All of my cups are contaminated
You can say I'm a little hater baby
Made for it but I ain't made it
I'd hate for you to go to Grady
I need to get hit up with show money cause a nigga got no patience
I do not sip on that green
Red bottoms, its a murder scene

I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera
56 nights, I go beast mode, a monster
50 on the back end, nigga that's a hunnid
I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera
56 nights, I go beast mode, a monster
50k on the back end, nigga that's a hunnid
Bout to go ape shit
I'm 'bout to go ape shit
I'm 'bout to go ape shit
They gon' make me go ape shit
I'm 'bout to go ape shit

I'm just in love with this fashion
I'm smokin' cookie, dumpin' ashes

I done fucked so many dancers that I'm tired of this shit
We at the W on 14, gettin' high in this bitch
I get high with a bitch
I don't know her name so I might lie to this bitch
I ain't got no time for no bitch
I got my shades on so I can't see nobody
I got my frames on so I can't see nobody
I got racks on me nigga I ain't stuntin' you niggas
I got racks on me nigga I ain't stuntin' you bitches

I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera

50 on the back end, nigga that's a hunnid
I'm feelin' like Future when he left Ciara
Bape, put these on when I'm dodgin' the camera
