

## Bark

Jose Guapo

I'm a true dog in the heart  
How you a dog, but you don't bark?  
Bark, bark  
They goin let me bark  
Bark, bark  
Rari push start

Heart, heart, you ain't got no heart  
I just robbed a nigga, cause he from the north  
Yeah, watching out for narks  
I remember I was broke, now I'm livin lardge  
Welcome to the mind of a maniac  
Top tear trapper, 60 in my hand, 40 in my lap  
Give me that, you know you's an Op, can't fuck with that  
Get you clapped, put that on my mama, I can get you wet

I'm a true dog in the heart  
How you a dog, but you don't bark?  
Bark, bark  
They goin let me bark  
Bark, bark  
Rari push start

I'm a dog, bitch, got no heart  
These niggas actin like they got one, but they just playin the part  
Nigga, get popped like a popart  
Won't catch me fuckin with no thot that shop at Walmart  
Yeah, I drive the forin, nigga, like a golf cart  
I done ran these rappers down, I had a headstart  
And I'm draped in Christian Dior to the floor  
I'm gettin my dick sucked, countin money, pourin the four  
Yeah, I'm so prolific, handlin my bidniss  
Put your partner in a grave, yeah, you can dig it  
Treat these whores like they children, give these whores whippins  
We don't just bark, we bite, like we Pitbulls

I'm a true dog in the heart  
How you a dog, but you don't bark?  
Bark, bark  
They goin let me bark  
Bark, bark  
Rari push start
