Throw It Up

Jose Guapo

When I wake up in the morning, brush my teath, then pour it up
Bankroll, can't fold it up
Take the Weed and roll it up, pull up in the Bentley truck
My young niggas don't give a fuck
If you reppin, throgh it up
Said if you reppin, throgh it up
Rep your hood, throgh it up, rep your set, throgh it up
Rep your gang, throgh it up, rep your city, throgh it up

Throgh it up, you know I pour it up
Starstruck, soon as I pulled up
Starbucks, I sip out coffee cups
A hundred thou, I sware that ain't enough
A hundred deep, got Wool it ain't no sheep
I ain't cheep, Versace on my sheets
I'm from the 3, so I rep the 3
I'm from the streets, got some bloods and crips with me
Ain't going for defeat, you know I keep that strap on me
I bought a pistol, for my intire facklty
Drive slower, I got some excess, they with me
So don't play with me, you know that chopper stay with me

When I wake up in the morning, brush my teath, then pour it up
Bankroll, can't fold it up
Take the Weed and roll it up, pull up in the Bentley truck
My young niggas don't give a fuck
If you reppin, throgh it up
Said if you reppin, throgh it up
Rep your hood, throgh it up, rep your set, throgh it up
Rep your gang, throgh it up, rep your city, throgh it up

Gotta hundred diamonds in the watch, she know I'm poppin off in the pot
She wanna lock in, and give me top
She love to pop the pussy for the gwap
She got a baby daddy in the box, she got a baby daddy on the block
She tryna call me daddy when she call, I had to say lil baby, you a thot
She got her own car and own spot
Bricks in the goldyard, she on top
She tought to go hard, and don't stop
I'm from the 4, rep it, on God
I keep the poll near me all times, we throgh it up, let m know, Gwap!

When I wake up in the morning, brush my teath, then pour it up
Bankroll, can't fold it up
Take the Weed and roll it up, pull up in the Bentley truck
My young niggas don't give a fuck
If you reppin, throgh it up
Said if you reppin, throgh it up
Rep your hood, throgh it up, rep your set, throgh it up
Rep your gang, throgh it up, rep your city, throgh it up
