

## Desire

José James

She appeared in the distance  
like a prayer I had uttered once  
She appeared in my life  
like a dream, only have remembered  
She entered my heart  
stayed a while  
She entered my heart  
stayed a while, made me the smile then gone  
Gone from my life, yeah  
I heard her love was like a burning flame of desire  
desire  
Baby, just set my body free  
Make me free to love  
Make me free to know  
how it feels  
to be loved  
how it feels  
to be loved in return  
There's some things that you just gotta learn on your own, yeah  
Yes, you gotta feel love's burn  
I awoke from a nightmare  
The only survivor left to feel love  
Planet's spinning madly and I'm the only one to see it fall  
Through time  
Time will heal all wounds but mine  
No one but myself to love  
No one but myself to love  
But then I awoke to your touch  
You said everything  
is gonna be alright  
everything gonna be alright  
everything gonna be alright
