

# Love Conversation

José James

I wanna talk to you  
(Go, slow)  
(Go, fast)  
I wanna talk to you  
(I can't let you go)  
Can't let you go  
I wanna talk to you  
(Go, slow)  
(Go, fast)  
I wanna talk to you  
(I can't let you go)  
Can't let you go

Certain of my life to find you  
Leaving all the past behind now  
And all I wanna hear tonight is  
I'm the only thing on your mind 'cause  
You  
Are so very precious to me  
You

The reason for the words I sing  
You  
Show me who I am and what I'll be  
You  
Better know this love runs deep

I wanna talk to you  
(Go, slow)  
(Go, fast)  
I wanna talk to you  
(I can't let you go)  
Can't let you go  
I wanna talk to you  
(Go, slow)  
(Go, fast)  
I wanna talk to you  
(I can't let you go)  
Can't let you go

Remember the very first time you touch my arms
