

enough

Josef Salvat

Some bridges were built for burning
Some doors meant to stay shut
Some hearts only get broken
Some others get all the luck

And at a certain point, it all gets too much
Too fast to feel it, it closes up
Running into waves at night
Gaming, chancing with your life

Fill it with love...
Fill it with love...
Ooh, it's never enough
No it's never enough
Fill me with love...
Fill me with love...
No, it's never enough
No, it's never enough

You'll get everything you want
You'll get everything you want
You'll get everything you want, yeah
You'll get everything you want
You'll get everything you want
You'll get everything you want, yeah
(But it's never enough, no it's never enough, no it's never enough)
You'll get everything you want
You'll get everything you want (it's never enough)
You'll get everything you want
You'll get everything you want
