

First Time

Josef Salvat

Snow moon cuts the river
Into a thousand lights
Dancing for us
Dancing for us
Jasmine on the breeze fills my room
And perfumes my nights
Dreaming for us
Dreaming for us

So don't worry 'bout it
The seasons were on our side
It was you before all of this
And now it's you for a life
No, don't worry 'bout it
The seasons were on our side
Even the greatest ideas
Have a life and die

Summer rain, the sky screams
With the things we can't say
Speaking for us
Speaking for us
Leaves hang in the wind
On their way to decay
Ending for us
Ending for us

So don't worry 'bout it

The seasons were on our side
Even the greatest ideas
Have a life and die
No, don't worry 'bout it
The seasons were on our side
It was you before all of this
Now it's you for a life

(For the first time)
(For the first time)
(For the first time)
(For the first time)
And I feel it come
Feel it flood my lungs
Cut me into strips
I have come undone
And I feel it come
Feel it flood my lungs
Cut me into strips
I have come undone
I have come undone
I have come undone
I have come undone
I have come undone
(For the first time)

I have come undone
