

So Lite

Josef Salvat

You don't know hunger
You don't know hard work
You don't know about struggle
You've never been burned
I've got to be careful, you've got all of me
And you play with your toys a bit too carelessly

You're so lite baby
Your promises are so empty
Your emotion so fat free
Too low-fat for me

You don't know what love is
(Do you?)
(Do you?)
(Do you?)
You don't know what love is
(Do you?)
(Do you?) Eh
(Do you?) Ah

You're so lite baby
Your promises are so empty, hmm
Your emotion so fat free
Too low-fat for me

Couple months later, still lying in bed
All that you didn't say doing laps 'round my head
I'm such a sucker, God, I don't know why
I'm still playing this tune when I'm hung to dry

You're so lite baby
Your promises are so empty, hmm
Your emotion so fat free
Too low-fat for me

You don't know what love is
(Do you?)
(Do you?)
(Do you?)
You don't know what love is
(Do you?)
(Do you?) Eh
(Do you?)

You're so lite baby
Your promises are so empty, hmm
Your emotion so fat free
Too low-fat for me

Don't know what love is, no
You don't know what love is
(Do you?)
No-no-no-no-no-no-no-no-no (Do you?)
Ooh-oh (Ooh-oh, oh-oh, oh-oh)
Ooh-oooh
You don't know what love is
Ooh-oh (Ooh-oh, oh-oh, oh-oh)
Ooh-oooh
Oh

You're so lite baby
Your promises are so empty, hmm
Your emotion so fat free
Too low-fat for me
Don't know what love is
