

# Make It True

Joseph Arthur

You got to give yourself permission  
To be who you are  
No one else'll take the mission  
Like flying to Mars  
You got to give yourself permission  
To open your heart  
And then you'll finally learn to listen  
To the sun and the stars

You're one in a million  
You're once in a life  
You're one in a million  
The way you shine your light

You save me  
I'll save you  
If you learn to feel your dream  
You can make it true  
(If you learn to feel your dream  
You can make it true  
If you learn to feel your dream  
You can make it true)

You save me  
I'll save you  
If you learn to feel your dream  
You can make it true  
(If you learn to feel your dream  
You can make it true  
If you learn to feel your dream  
You can make it true)

You got to give yourself permission  
To be who you are  
No one else is walking with you  
Down that boulevard  
You got to give yourself permission  
To open your voice  
And then you'll finally learn to listen  
You'll see you never had a choice

You're one in a million  
You're once in a life  
You're one in a million  
The way you shine your light

You save me  
I'll save you  
If you learn to feel your dream  
You can make it true  
(If you learn to feel your dream  
You can make it true  
If you learn to feel your dream  
You can make it true)

You save me  
I'll save you

If you learn to feel your dream  
You can make it true  
(If you learn to feel your dream  
You can make it true  
If you learn to feel your dream)  
You can make it true  
(If you learn to feel your dream  
You can make it true)
