

Miracle

Joseph Arthur

I
I get by
Without a miracle
You
You get by
Without a miracle

So we should compromise
And we should stop telling lies

You
You get by
Without a miracle
I
I get by
Without a miracle

So we should compromise
And we should stop telling lies

Uhh Ohh

When will you leave
When will you go
When will you leave
When will you go
When will you leave
When will you go
When will you leave
When will you go
When will you leave
When will you go
When will you leave
When will you go

I
I get by
Without a miracle

So we should compromise
And we should stop telling lies

Uhh Ohh
