

## She Paints Me Gold

Joseph Arthur

She paints me gold  
When I'm asleep  
She paints me gold  
And follows me

And I'm never alone  
And I'm never alone

We kiss God together  
Our love is real forever

And I'm never alone  
And I'm never alone

She paints me gold  
When I'm awake  
She paints me gold  
And I believe

That I'm never alone  
And I'm never alone
