

Take Me Home

Joseph Arthur

Take me home
Look good on your own
Take me home
Look good

I can see the sun
I think the evening's done
Take me home
You look good on your own

Sometimes it's good
To say goodbye
Before you make it
To the end of time
Yes, sometimes it's good
To say goodbye
Before you make it
To the end of time

Take me home
Take me home
Look good on your own

I can see the sun
I think we just begun
Please take me home
You look good

Sometimes it's good
To say goodbye
Before you make it
To the end of time
Sometimes it's good
To say goodbye
Before you make it
To the end of time

Take me home
I can see the sun
Take me home
