Joseph Vincent

Intro

Woah oh oh oh woah

Been busy tryin' to figure you out  
And how you ever did without the love and all the questions  
Did he have the right intentions, no

So take a chance with me  
I'm here so I can make you believe again in love that's true  
'Cause I'll be there, I'll be there for you

You don't have to search no more  
'Cause I'm the one you're lookin' for  
Oh I'll be there, I'll be there for you  
You just have to realize  
I'm not like those other guys  
'Cause I'll be there, I'll be there for you

I'm gonna bring you back, bring you back now  
To a time that was right oh you never had to worry 'bout  
Anything your heart desires  
If you just ask then I'll supply it

I'll treat you right  
'Cause I'm your knight  
And you're my princess baby  
Put your guard down be my lady

You don't have to search no more  
'Cause I'm the one you're lookin' for  
Oh I'll be there, I'll be there for you  
You just have to realize  
I'm not like those other guys  
'Cause I'll be there, I'll be there for you

And if I can remind you how it feels  
How it feels to be another's number one  
And it's time to break that spell  
I've been wishin' down this well  
Ohh, and it's all for you, you

You don't have to search no more  
'Cause I'm the one you're lookin' for  
Oh I'll be there, I'll be there for you  
You just have to realize  
I'm no like those other guys  
'Cause I'll be there, I'll be there for you

Woah oh oh oh, woah  
(You don't have to search no more, I'm the one you're lookin' for)  
Yeah I'll be there, I'll be there for you  
Woah oh oh oh, woah  
(You know that I'll be there for you)  
(You know that I'll be there for you)  
(You know that I'll be there for you)
