

Here For You

Joseph Vincent

You don't understand what you do to me
Everytime I see you, I get weak
Sometimes I can get a little bit overprotective
But it's not that at all, I'm just afraid of losing you.
And it's just that you mean so much to me
No I never, no I never want to see you leave
Just take me back, give me 1 more chance
To prove that I'm the man for you
No more lies, I'll tell you what I feel
No more playing girl, I'll tell you what's the deal
You got a face of an angle, you got a heart made of gold
Your always there for me, no matter what you were told
You know I'm here for you baby, through all the ups and downs
I'll always be around, for you.
It's true I'm here for you.
And it's just that you mean so much to me
No I never, no I never want to see you leave
Just take me back oh give me one more chance
To prove that I'm the man for you
You got a face of an angle, you got a heart made of gold
You were always there for me, no matter what you were told
You know I'm here for you baby, through all the ups and downs
Even when I'm away, I'll always be around, for you
It's true I'm here for you
