

Honest

Joseph

I can't say a true thing
It's hard to be that honest
I know you're not asking
But I told you that I promised

There's always two thoughts
One after the other
I'm alone
No you're not
I'm alone no you're not
I'm alone
No you're not
I'm alone no you're not

I know I'm pretending
When I try to have an answer
It's not what I intended
And I don't know what comes after

There's still those two thoughts
One after the other
I'm alone
No you're not
I'm alone no you're not
I'm alone
No you're not
I'm alone no you're not

I'm alone
No you're not
I'm alone no you're not
I'm alone
No you're not
I'm alone no you're not
I'm alone
No you're not
I'm alone no you're not
I'm alone
No you're not
I'm alone no you're not

I'm alone
No you're not
