Sister Winter

Joseph

Oh my friends I've
Begun to worry right
Where I should be grateful
I should be satisfied

Oh my heart I
Would clap and dance in place
With my friends I have so
Much pleasure to embrace

But my heart is
Returned to sister winter
But my heart is
As cold as ice

Oh my thoughts I
Return to summer time
When I kissed your ankle
I kissed you through the night

All my gifts I
Gave everything to you
Your strange imagination
You threw it all away

Now my heart is
Returned to sister winter
Now my heart is
As cold as ice

Now my heart is
Returned to sister winter
Now my friends, I
Apologize, apologize

All my friends, I've
Returned to sister winter
All my friends, I
Apologize, apologize

All my friends, I've
Returned to sister winter
All my friends, I
Apologize, apologize

And my friends, I've
Wish you all the best
And my friends, I've
Wish you all the best
And my friends, I've
Wish you a Happy Christmas
Wish you a Happy Christmas
We wish you a Happy Christmas
We wish you a Happy Christmas
We wish you a Happy Christmas
