

I've Been Known

Josh Abbott Band

It ain't nothing but a thing, you and me, babe
So let's try not to make a scene while we're so green
But if we do, well, I'll love you anyway
And I'll do my best to answer any questions
You might ask about my life
But I must warn you, some stories might make you laugh

Like I've been known to get drunk
Ride around in a pickup, but I don't condone a DUI
And I've been known to give my heart away
Seems like yesterday I gave you mine

Run along, your friends are waiting
Yeah, they've been waiting all day
No, I didn't mean to keep you
It just happens that I need you
And I'm sorry for smothering your space
But do your best not to dance with any man tonight
If by chance, you just can't help it

This time, we'll let it slide

Like I've been known to get drunk
And try do a little picking up, but I don't a cheat or lies
And I've been known to give my heart away
It seems like yesterday she broke mine

Yeah, babe, I guess I'm leaving
But I won't be gone for good
Ah, come on girl, there is no crying
This ain't worth drying those tears dancing down your face
And don't worry about temptation out there on that other coast
Girl, you know you're the only girl for me
The best high I've ever known

Like I've been known to get drunk
I like to cuddle up by an open fire
And I've been known to give my heart away
It seems like yesterday you stole mine
Well, I've been known
