Josh Abbott Band

Her favorite color is faded Levi blue  
She folds her laundry in her birthday suit  
Yeah, I was at the TV during Family Feud  
Puts her turquoise on when she's in the mood

She keeps her makeup in a coffee can  
Got a Bible verse tattoo in her hand  
Goes 90 in a 50 in her mini van  
And she's real damn good at not giving a damn  
She's real damn good at not giving a damn

She's a little bit out there, whole lotta don't care, gonna do what s  
he wants  
Living her life one night at a time, more hippie than debutante  
She's genuine, one of a kind, hard to find, hard to understand  
She ain't that great at not being late  
She's real damn good at not giving a damn  
She's real damn good at not giving a damn  
She's real damn good at not giving a damn

Packs a .38 special in her Gucci purse  
Likes chocolate on her chocolate when she has desserts  
Wears a KISS T-shirt when she goes church  
I never met a woman quite like her
