

# Changing

Josh Baldwin

And my guard is down  
No more fighting  
Cause all that I've found  
Never met my needs  
(Niemals erfüllten sich meine Bedürfnisse)

So here is my heart  
I've kept it from you  
But I want a new start  
So breathe on me

Cause I am changing  
And I am changing

And this time, I'll give  
All my life  
And this time, you'll get  
What you deserve  
A heart that burns for you  
And life that has been made new

I turn around  
To see that you were, chasing me down  
With the love so true  
And if you take me along  
What you teach me how to done  
My selfish pride, and run with you

Cause I am changing  
And I am changing  
Oh I am changing  
And I am changing

And this time, I'll give  
All my love  
This time, you'll get

What you deserve  
A heart that burns for you  
The life that has been made new

Cause you made me new  
Made me new  
Made me new
