

It's already been done, You can't add to His blood  
It was once for all the Father gave his Son  
Forever we are changed by the miracle of grace  
Throughout history the Father's light remains

Praises rise endlessly  
We lay our lives before the King  
Who was and who is  
His love will always be  
The hope for all eternity

We've only just begun to see all of heaven come  
Every fear will bow at the Father's perfect love  
Your kingdom is at hand, the gates of hell won't stand  
Now in victory we lift our song again

Praises rise endlessly  
We lay our lives before the King  
Who was and who is  
His love will always be  
The hope for all eternity

Oooh, Oooh  
Open up the doors  
We are ready, we are ready  
We're crying out for more  
In Your presence we come alive  
Open up the doors  
We are ready, we are ready  
We're crying out for more  
In Your presence we come alive  
Open up the doors  
We are ready, we are ready  
We're crying out for more  
In Your presence we come alive!

Praises rise endlessly  
We lay our lives before the King  
Who was and who is  
His love will always be  
The hope for all eternity!

We are ready, we are ready  
We are ready, we are ready
