

My Help

Josh Baldwin

Oh my soul
Forget not all His benefits
How His light has shone
Through darker days than this
He has been faithful
He's always faithful

Even as I'm walking
Through the wilderness
Standing in the valley
I'll remember this
He has been faithful
He's always faithful

I know where my help comes from
My help comes from the Lord
I know where my help comes from
My help comes from the Lord
My confidence remains
In the name above all names
Yeah I know where my help comes from
My help comes from the Lord

So I won't fear the fire
Or the wind and waves
For the name I call upon
Will be the same
'Cause Jesus is faithful
He's always faithful

Yeah I know where my help comes from
My help comes from the Lord
I know where my help comes from
My help comes from the Lord
My confidence remains
In the name above all names
Oh I know where my help comes from
My help comes from the Lord

So I lift my countenance
Beyond the circumstance
My feet are planted
I won't be shaken
My God will always make a way

So I lift my countenance
Beyond the circumstance
My feet are planted
I won't be shaken
My God will always make a way

Cause I know where my help comes from
My help comes from the Lord
I know where my help comes from
My help comes from the Lord
My confidence remains
In the name above all names

Yeah I know where my help comes from
My help comes from the Lord

Oh I know where my help comes from
My help comes from the Lord
I know where my help comes from
My help comes from the Lord
My confidence remains
In the name above all names
I know where my help comes from
My help comes from the Lord

I lift my countenance
Beyond the circumstance
My feet are planted
I won't be shaken
My God will always make a way
My God will always make a way
Yes I know
My God will always make a way

Come on lift up a shout of praise
Thank You Jesus
You're the way where there is no way
You're the way where there is no way
