

You Are Our God

Josh Baldwin

We give thanks to You Lord
Your love endures forever
Your grace is an open door
Your mercy is our treasure

When we were in darkness You came
Your light fills our hearts
So fill this house with praise
That shouts of who You are

You are our God
You are our God
Our strength, our defense
Our salvation, our deliverance, yeah

We give thanks to You Lord
Your Spirit is within us
Now and forever more
We're carrying Your presence

You said we'd do greater things
You're with us every hour
So fill this house with faith
And resurrection power, sing it out

'Cause You are our God
You are our God
Our strength, our defense
Our salvation, our deliverance, hey

There's no other name that could save
So we call upon the name of the Lord

There's no other name that could save
So we call upon the name of the Lord
Come on sing it out

No other name that could save
So we call upon the name of the Lord

There's no other name that could save
So we call upon the name of the Lord

'Cause You are our God
You are our God
You're our strength, our defense
Our salvation, our deliverance

Yeah You are our God
You are our God
You're our strength, our defense
Our salvation, our deliverance

No other name that could save
So we call upon the name of the Lord

There's no other name that could save

So we call upon the name of the Lord, yeah
