Sleeper

Josh Garrels

Wake up O sleeper and raise your head
Lord's gonna raise you from the dead
Shine on, shine on

Dead folks walk around left and right
Lord's gonna heal them with His Light
Shine on, shine on

Crucified King come from that grave
Tell me now brother do you want to get saved
Shine on, shine on

Christ my Savior and my King
He's gonna take care of everything
Shine on, shine on
