

Spirit Resurrect

Josh Garrels

Father, we exist within your love
With our hopes fixed upon your Son
Spirit, guide us as we run
This race of faith that you've begun

We thank you, Jesus for your grace
Upon our broken hearts we ask
With boldness will You come at last
Until that day may we stand fast

Spirit, resurrect our love
Direct our hearts to the Holy One
Who tasted death for everyone
Spirit, resurrect our love

Father, we exist within your grace
In your Son we place our faith
Spirit, please fill us today
Forgive us when we lose our way

We thank you, Jesus for the cross
Our life is found in yours laid down
We surrender, we have counted the cost
We live, we love, in You we're found

Spirit, resurrect our love
Direct our hearts to the Holy One
Who tasted death for everyone
Spirit, resurrect our love

Before the cross we lay our lives
In your love we will abide
Spirit, come reveal the Son through us
Death and sin has been undone
You chose us in your perfect love
Seek and save the lost through us

Before the cross we lay our lives
In your love we will abide
Spirit, come reveal the Son through us
Death and sin has been undone
You chose us in your perfect love
Seek and save the lost through us

Spirit, resurrect our love
Direct our hearts to the Holy One
Who tasted death for everyone
Spirit, resurrect our love

Spirit, resurrect our love
Direct our hearts to the Holy One
Who tasted death for everyone
Spirit, resurrect our love
