

Good for You

Josh Gracin

I don't give a damn what you're smoking, I still wanna taste yo
ur lips
We can stay as long as you wanna, as long as I'm the one you're
leaving with
And I know I've told you before but baby I'm feeling it
And I'll tell you a million times more till you're tired of hea
ring it

So why don't you try me
I won't burn you like a cigarette when you light me
I'll be the whiskey going to your head on a Friday
I'll be that high you can't lose
And you won't want to, more than likely
You're out there telling all your friends that you like me
But you won't give in, you just keep fighting
Like love is something bad to do
But I know I'd be good for you

Your self destructing not trusting each other won't work with m
e
Cause I'm not a who you been with pretending I'm somebody I'm n
ot gonna be

So why don't you try me
I won't burn you like a cigarette when you light me
I'll be the whiskey going to your head on a Friday
I'll be that high you can't lose
And you won't want to, more than likely
You're out there telling all your friends that you like me
But you won't give in, you just keep fighting
Like love is something bad to do
But I know I'd be good for you

So why don't you try me
I won't burn you like a cigarette when you light me
I'll be the whiskey going to your head on a Friday
I'll be that high you can't lose
And you won't want to, more than likely
You're out there telling all your friends that you like me
But you won't give in, you just keep fighting
Like love is something bad to do
I'll be good for you
I know I'd be good for you
