

Love Like

Josh Gracin

You got that fire like Georgia sun got the heat
You got that sway like Marvin Gaye got the beat
You give me that happy hour feeling every day of the week
Girl you got it all, girl you got me, yeah, you've got me

I never had a love like midnight
A motown vinyl or a Carolina summer under street lights feels like
An old school Chevy on a two lane south
Friday crazy, Sunday true
Never had a love like, a love like, a love like you

You got that chill like fancy champagne on ice
You shine so bright I wear my ray bans at night
In my whole life, out of everything I got right

I never had a love like midnight
A motown vinyl or a Carolina summer under street lights feels like
An old school Chevy on a two lane south
Friday crazy, Sunday true
Never had a love like, a love like, a love like you

(I never had a love like you...)

Never had a love like, hmmm...
Never had a love like, a love like, a love like...

I never had a love like midnight
A motown vinyl or a Carolina summer under street lights feels like
An old school Chevy on a two lane south
Friday crazy, Sunday true
Never had a love like, a love like, a love like
Never had a love like, a love like, a love like you...

(I never had a love like you...)
