

## You Don't Know Her Like I Do

Josh Gracin

You say there's no need to be worried  
You bet it's just a bump in the road  
You think if you really love somebody  
Best thing to do is just let them go

Truth is, I think you sound a little crazy  
Until you walk in my shoes, you don't have a clue

You don't know her like I do  
You don't have these eyes I'm looking through  
If you had half of what she gave  
You'd never let her walk away  
And every time she took your breath  
It would scare you half to death  
Cause you have everything to lose  
You don't know her like I do

Sometimes it seems like you wait a lifetime  
Can't help but wonder if she'll ever show  
So when you know you finally found her

You'd be a fool to let her go

You don't know her like I do  
You don't have these eyes I'm looking through  
If you had half of what she gave  
You'd never let her walk away  
And every time she took your breath  
It would scare you half to death  
Cause you have everything to lose  
You don't know her like I do

You don't know her like I do  
You don't have these eyes I'm looking through  
If you had half of what she gave  
You'd never let her walk away  
And every time she took your breath  
It would scare you half to death  
Cause you have everything to lose  
You don't know her like I do
