

# Be Alright

Josh Groban

I know you're feeling on your own  
And the night is never ending  
I'm here to tell you you're not alone  
I hear the message that you're sending

Even though it hurts sometimes  
You find your way to the other side  
Even though it hurts sometimes

When it seems tomorrow may not come  
It's gonna be alright, it's gonna be alright  
When it seems you don't have anyone  
It's gonna be alright, it's gonna be alright  
Yeah, you and me, we're gonna be alright, alright

Love will find you when it's been lost  
If you hold on a little longer (A little longer)  
You got the strength now to shake it off  
Can't you feel it getting stronger?

'Cause even though it hurts sometimes  
You find your way to the other side  
Even though it hurts sometimes

When it seems tomorrow may not come  
It's gonna be alright, it's gonna be alright  
When it seems you don't have anyone  
It's gonna be alright, it's gonna be alright  
And you and me, we're gonna be alright, alright

(You're gonna be alright)  
'Cause the sun will shine on tomorrow  
(You're gonna be alright)  
And it won't be hard to follow  
(You're gonna be alright) Whoa  
Alright

When it seems tomorrow may not come  
It's gonna be alright, it's gonna be alright  
When it seems you don't have anyone  
It's gonna be alright, it's gonna be alright  
And you and me, we're gonna be alright, alright

Yeah, you and me, we're gonna be alright  
We're gonna be alright
