Remember

Josh Groban

Remember

I will still be here As long as you hold me In your own memory

Remember

When your dreams have ended Time can be transcended Just remember me

I am the one star
That keeps burning so brightly
It is the last light
To fade into the rising sun

I'm with you
Whenever you tell
My story
For I am all I've done

Remember, I will still be here As long as you hold me In your own memory Remember me

I am that warm voice
In the cold wind that whispers
And if you listen
You'll hear me call across the sky

As long as I still can reach out And touch you That I will never die

Remember

I'll never leave you If you will only Remember me

Remember

I will still be here As long as you hold me In your own memory

Remember

When your dreams have ended Time can be transcended I live forever

Remember me Remember me Remember me
