

# The Constant

Josh Groban

You keep me from goin' under  
You keep me from holdin' up my walls  
You're the center when the wind blows  
You're an ember in the shadows  
A lifeline to pull me from the fall  
A you and a me, we can weather it all

Even on the darkest days  
Even through our worst mistakes  
Though the steady ground may break  
We are the constant  
Even when the storm sweeps through  
Crumblin' the world we knew  
I know I can hold to you  
We are the constant

We are we are we are  
We are we are we are  
We are we are we are  
We are the constant  
We are we are we are  
We are we are we are  
We are we are we are  
We are the constant

You hold me and you're my harbor  
You've learned me like I'm the back of your hand  
You're the anchor when I'm driftin'  
When the ground around me is shiftin'  
You lift me up  
And you give me somewhere to land

Even on the darkest days  
Even through our worst mistakes  
Though the steady ground may break  
We are the constant

Even when the storm sweeps through  
Crumblin' the world we knew  
I know I can hold to you  
We are the constant

We are we are we are  
We are we are we are  
We are we are we are  
We are the constant  
We are we are we are  
We are we are we are  
We are we are we are  
We are the constant

You keep me from goin' under  
You keep me from holdin' up my walls

Even on the darkest days  
Even through our worst mistakes  
Though the steady ground may break

We are the constant  
Even when the storm sweeps through  
Crumblin' the world we knew  
I know I can hold to you  
We are the constant

We are we are we are  
We are we are we are  
We are we are we are  
We are the constant  
We are we are we are  
We are we are we are  
We are we are we are  
We are the constant

We are we are we are  
We are we are we are  
We are we are we are
