

Walk Fast

Josh Kelley

Walk Fast

You better walk fast
If you're gonna walk over me
Cause I won't be a part of your plan
If you're gonna make a dog out of me

Talk fast you better talk fast
Hope you got something good to say
All ears pretty momma won't hear
But you gotta play fair today
Cause I don't wanna believe that it's over, it's over

Cause if you want me to love you
You better open up the door
And if you wanted to love me
You wouldn't leave me wanting more
Cause all I wanted was to love you
I wanted to love you
Don't you see me wanting more

Think twice you better think twice
If you're gonna make a fool out of me
Back down you better back down
Don't give me no third degree
Cause I don't want to believe that it's over it's really over, no

Cause if you want me to love you
You better open up the door
And if you wanted to love me
You wouldn't leave me wanting more
Cause all I wanted was to love you
I wanted to love you
Don't you see me wanting more

I never thought it would be easy
If this is it, then please release me, no
Before we let it get too late
Gotta find a better way
Before we let it get too late, little pretty
My pretty little thing

Cause if you want me to love you
You better open up the door
And if you wanted to love me
You wouldn't leave me wanting more
Cause all I wanted was to love you
I wanted to love you
Don't you see me wanting more

Don't you see me wanting more
Don't you see me wanting more
We got to find a better way
Before we let it get too late
Got to find a better way
Got to find a better way
